

Guardian's consent, attachment to the lease

Please note the following when signing the consent:

Living alone requires a minor to have good life management skills. AYY is unable to supervise how the residents live, and all residents are subject to the same rules and regulations, guidelines, and the Act on Residential Leases.

The guardian's credit rating will be checked. By signing this form, you confirm that the minor in question can apply for AYY housing. The guardian is responsible for the lease and its obligations until the dependant reaches the age of 18. The possible agreement is valid for a non-fixed term. When the tenant reaches the age of 18, the lease obligations are automatically transferred to the tenant. The lease is signed by both the applicant and the guardian.
